

# CPSC Academy Programme 2018

Community Pharmacy South Central Academy organises development events for pharmacy professionals. It provides an open invitation to those working in the Southampton, Hampshire, Isle of Wight & Portsmouth areas to participate in 4 organised events each year; each one available at 5 different locations each quarter.

## Quarter 2 – Having Healthier Conversations

Why should you attend? Please consider this...

### Teaser 1:

“I should cut down on my alcohol intake, but it’s relaxing to have a couple of glasses at the end of the day”

“I know I should cut down on smoking but it’s good for my nerves!”

“It’s too expensive to join a gym and eat healthy food”

“I don’t want to be taking medicines all the time and so sometimes I don’t take these ones ...they don’t really make a difference”

How do you respond to these questions? How confident are you that what you are saying is helping your patient/customer make a change that will help them?

Do you find yourself responding with well-intentioned professional advice?

There is an another, more effective way ... If you are interested in learning more in a friendly like-minded environment, with a two-course hot meal and refreshments provided then please book-in now.

**Book-in to your nearest event using the Eventbrite link on the [CPSC Training & Development webpage](#).**

Whilst on our website, please look around at other interesting events happening in your area.
