

CPSC Academy Programme 2018

Community Pharmacy South Central Academy organises development events for pharmacy professionals. It provides an open invitation to those working in the Southampton, Hampshire, Isle of Wight & Portsmouth areas to participate in 4 organised events each year; each one available at 5 different locations each quarter.

Quarter 2 – Having Healthier Conversations

Why should you attend? Please consider this...

Teaser 2:

How confident do you feel about supporting individuals to make a change in their life?

How important is it for you in your role to support an individual to make a change either in their lifestyle or in their treatment?

What difference do the conversations you currently have about making a change have on the individual? Truly?

It has never been more important for us to develop our skills in engaging with individuals to help them take more responsibility for their health (physical, mental and emotional) and wellbeing. This training will change the way you think about supporting your patients and customers
