Ref PH505

To all Community Pharmacies in the Wessex area

Dear Colleague,

Please see attached information about the [Accuracy Checking Pharmacy Technician \(ACPT\) Programme](#), offered by CPPE.

This programme is being funded by the Pharmacy Integration Fund (PhIF). If a member of your team would like to participate, their application will need to be submitted by the following dates:

- Jan 19 cohort applications close 31st Dec (or earlier if places have been filled)
- Feb 19 cohort applications close 31st Jan (or earlier if places have been filled)
- Mar 19 cohort application close 28th Feb (or earlier if places have been filled)

Applications are being accepted until each cohort is full. The Jan, Feb and Mar 19 cohorts are available for booking now. They will close on the last working day of the preceding month, or when all places have been filled.

The e-learning can be found here: <https://www.cppe.ac.uk/programmes/l/acpt-e-02/>

The e-assessment can be found here: <https://www.cppe.ac.uk/programmes/l/acpt-a-01>

CPPE have indicated that places in the new year are filling up quickly. If people want to secure a place they should complete the e-assessment as soon as possible and then book a place.

The deciding factor for future funding on a wider scale for ACPT training will be based on uptake of this programme.

There are FAQs and further info on the dedicated web page: www.cppe.ac.uk/acpt. If you have a query about the programme that is not covered in the FAQs, please email acpt@cppe.ac.uk or via CPPE social media sites.

Kind regards
