To all Community Pharmacies in the Wessex area

Dear Pharmacist/ Pharmacy Manager,

Please see spreadsheet details of Pharmacies open over Christmas 2018 and New Year's across Wessex, the information has been split into Health and Wellbeing Board areas for convenience.

The listings include all pharmacies open under "Enhanced Service Arrangements", "Under Direction" and or voluntarily. Where we have not received confirmation of opening we have assumed the pharmacy will be closed.

If there are any changes in your planned opening please contact us as soon as possible by emailing england.wessexpharmacy@nhs.net.

The current listings are correct at the time of sending to you. However, we recommend that you should include the advice below in any of the attached information you reproduced, in any format available, to inform the general public;

"The pharmacies listed should be open on the 25th & 26th December 2018 and or 1st January 2019 as shown, the details are correct at the time published but are subject to change. You are advised to contact the pharmacy before attending to ensure they are open and have the medication you require."

Thank you for your co-operation, it is appreciated as always.

Kind regards

Tim Perriment
