

# CPSC Academy Programme 2018-19

Community Pharmacy South Central Academy organises development events for pharmacy professionals. It provides an open invitation to those working in the Southampton, Hampshire, Isle of Wight & Portsmouth areas to participate in 4 organised events each year; each one available at 5 different locations each quarter.

## Quarter 4 – Mental Health & Wellbeing

Why should you attend? Please consider this...

### Teaser 1:

How many people do you know and see that have experienced some form of mental health problem?

What do we mean by mental health and wellbeing?

What can we do to support mental health in our family, friends, colleagues and customers?

These are all important questions for people working in our pharmacies.

Are you confident in recognising signs, listening, understanding the issues and answering questions?

What would you do that puts the person at the centre of their decision-making and enables them to make positive choices?

**Book-in to your nearest event using the Eventbrite link on the [CPSC Training & Development webpage](#).**
