**To all parties interested in the Easter Opening Times in Wessex**

Dear Sir/Madam,

Please find attached the spreadsheet with details of Pharmacies open over Easter 2019 across Wessex (please delete any previous information supplied to avoid any confusion).

The information is in Health and Wellbeing Board areas for convenience. The listings include all pharmacies open under “Enhanced Service Arrangements”, “Under Direction” and or voluntarily where we have been informed.

The current listing is correct at the time of sending to you. However, we recommend that you should include the advice below in any of the attached information you reproduced, in any format available, to inform the general public;

*“The pharmacies listed should be open on the 19<sup>th</sup> 21<sup>st</sup> 22<sup>nd</sup> April 2019 as shown, the details are correct at the time published but are subject to change. You are advised to contact the pharmacy before attending to ensure they are open and have the medication you require.”*

Please be aware that times maybe subject to change.

Thank you for your co-operation.

Kind regards
