## Summary of key changes for 2019/20

Fax machines can no longer be used to send completed forms to a GP surgery. Please ensure you are using PharmOutcomes to process your customer data.

Pharmacy is no longer required to ask customers to complete a patient questionnaire after they have received their flu vaccination.

Claims for payment must now be made using the Manage Your Service (MYS) platform.

Payment per administered dose vaccine has increased to £8.08 with the additional fee of £1.50 per vaccination. Pharmacy contractors will receive a total payment of £9.58 per vaccine administered.
