## PSNC resources and recorded presentation on the national Flu Vaccination Service

Following publication of the [service specification](#) and the [Patient Group Direction \(PGD\)](#) for the Flu Vaccination Advanced Service 2019/20, PSNC has published a number of resources and recorded a presentation on the national Flu Vaccination Service to support community pharmacy contractors with delivering the service.

### **[Recorded presentation on the Flu Vaccination Service 2019/20](#)**

This 15-minute recorded presentation outlines what community pharmacy teams need to know about this year's Flu Vaccination Service.

### **[PSNC Briefing 031/19: Guidance on the Seasonal Influenza Vaccination Advanced Service 2019/20](#)**

This Briefing should be read in conjunction with the service specification and PGD and explains what contractors need to do to offer the service.

### **[PSNC Briefing 035/19: Factsheet: Eligible groups for the Flu Vaccination Service 2019/20](#)**

This Briefing outlines the eligible groups for the Flu Vaccination Service 2019/20. This could be displayed and used as a 'quick reference' to assist with determining if a patient is eligible for a vaccination.

### **[PSNC Briefing 038/19: Pharmacist checklist for the Flu Vaccination Service 2019/20](#)**

This PSNC Briefing provides a checklist for community pharmacists (both locum and employed pharmacists) on tasks to complete before providing the service.

### **[PSNC Briefing 039/19: Decision tree: Recommended influenza vaccines 2019/20](#)**

This PSNC Briefing outlines the recommended influenza vaccines for the different age groups, including those individuals with an egg allergy, as a decision tree for the 2019/20 service.

All of the above resources and further information on the service can also be found on the [flu vaccination hub](#) on the PSNC website.
