Flu deliveries confirmed for GPs (Sanofi)

Although there is still no confirmation yet for community pharmacies, the following has been confirmed for this year's delivery schedule of QIVe vaccines to GPs:

- 25% week commencing 28 September
- 20% week commencing 12 October
- 25% week commencing 26 October
- 30% week commencing 9 November

We will update you with further information when it is available.
