

NHS Flu Season 2021/22

Flu planning for 21/22 flu season

Local Authority employee flu vaccination Service – Hampshire County Council (HCC) ****Open to all Pharmacies****

Hampshire County Council have confirmed they will put in place their employee flu vac service this year. HCC are currently discussing expanding the list of employees eligible for the service.

This service is open to all pharmacies, not just those in HCC area, but Portsmouth, Southampton & IOW too.

For those who **have** previously offered the service – HCC will contact you with the new service specification and confirm your continued provision. List of last year's providers can be found here:

<https://www.hants.gov.uk/socialcareandhealth/publichealth/contracts>

For those who **have not** previously offered the service but want to this year.

Register to deliver via In-Tend, the procurement portal. How to apply is available on the HCC webpage –

<https://www.hants.gov.uk/socialcareandhealth/publichealth/contracts>.

CPSC are currently working with the other Local Authorities to establish their plans.
