Healthier Together is a website and mobile app that has been developed by healthcare professionals to provide comprehensive advice for parents, young people and pregnant women.

"It's like a mini doctor for you at home."

Using an easy-to-follow traffic light system, you'll find clear information on common childhood illnesses, including advice on what signs to look out for, when and where to seek help if required, what you should do to keep your child comfortable and how long your child's symptoms are likely to last.
