

Hypertension Case-Finding Service

Latest FREE* Online Course

Do you and your team know that this new service means that **GP Practices** can **send patients** to your pharmacy for blood pressure checks?

Do you know how much your pharmacy **will get paid** for doing the checks?

Would you like some ideas about how to **proactively approach patients** in your pharmacy about the service?

Are you clear about how to **implement** the service is and the **actions** you and your team need to take?

The course is split over **two modules** to support the delivery of the service
