

CPSC Academy Programme 2018

Community Pharmacy South Central Academy organises development events for pharmacy professionals. It provides an open invitation to those working in the Southampton, Hampshire, Isle of Wight & Portsmouth areas to participate in 4 organised events each year; each one available at 5 different locations each quarter.

Quarter 1 – Patient Safety Event

Why should you attend? Please consider this...

Teaser 1: What does decriminalisation of dispensing errors actually mean?

The legal defence, [Pharmacy \(Preparation and Dispensing Errors—Registered Pharmacies\) Order 2018](#), which applies to registered pharmacies throughout the UK, includes clauses stipulating that pharmacists are safe from prosecution if they can provide evidence showing they were unaware a dispensing error had been made, and they had taken appropriate steps to notify patients on becoming aware of an error.

How do you create a culture that encourages reporting and therefore learning to prevent future errors?

If you are interested in learning more in a friendly like-minded environment, with a two-course hot meal and refreshments provided then please book-in now.

Book-in to your nearest event using the Eventbrite link on the [CPSC Training & Development webpage](#).

Whilst on our website, please look around at other interesting events happening in your area.

Please direct any queries you have to admin@cpsc.org.uk

CPSC Academy replaces the previously run local pharmacy groups that were organised by local group leads and supported by Hampshire & Isle of Wight LPC.
