

CPSC Academy Programme 2018

Community Pharmacy South Central Academy organises development events for pharmacy professionals. It provides an open invitation to those working in the Southampton, Hampshire, Isle of Wight & Portsmouth areas to participate in 4 organised events each year; each one available at 5 different locations each quarter.

Quarter 1 – Patient Safety Event

Why should you attend? Please consider this...

Teaser 2: Are we doing all we can to keep our patients safe?

Keeping our patients safe from harm is our number one priority and yet drug-related problems resulting in adverse reactions and sometimes hospitalisation are common. Almost half of these are preventable. Last year, the World Health Organisation launched their third global health challenge to reduce the level of severe, avoidable harm related to medications by 50% over the next 5 years, globally.

What more can you do with your team, your processes and how you work with others to improve patient safety?

If you are interested in learning more in a friendly like-minded environment, with a two-course hot meal and refreshments provided then please book-in now.

Book-in to your nearest event using the Eventbrite link on the [CPSC Training & Development webpage](#).

Whilst on our website, please look around at other interesting events happening in your area.

Please direct any queries you have to admin@cpsc.org.uk

CPSC Academy replaces the previously run local pharmacy groups that were organised by local group leads and supported by Hampshire & Isle of Wight LPC.
