looking after
someone?

Carers Week™

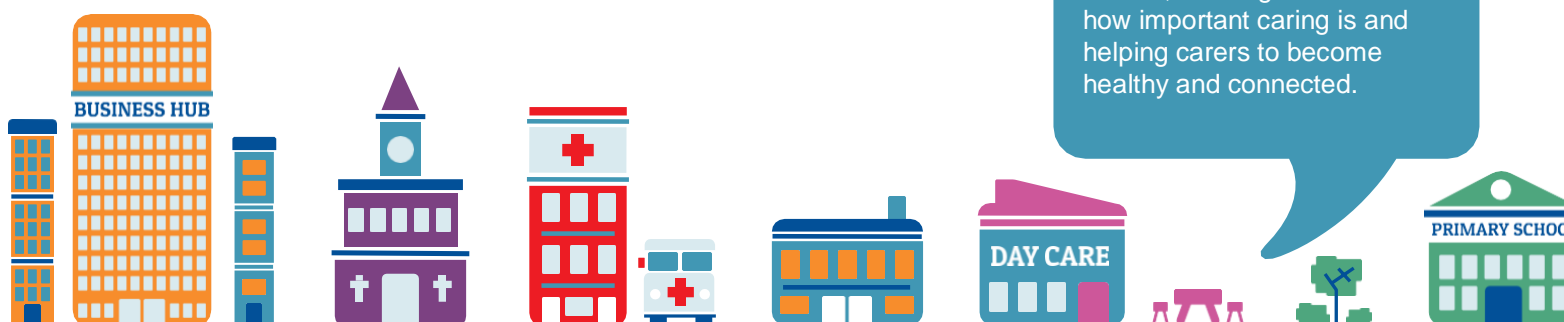

11–17 June 2018

Don't forget to ensure you receive your free influenza vaccination this winter.

If you are caring for (unpaid) family or friends who have a disability, illness or need support in later life; then it's vitally important that you stay well this winter.

Ask at the pharmacy counter about how you can receive your free flu vaccination this year.

This Carers Week we're coming together throughout the UK, drawing attention to how important caring is and helping carers to become healthy and connected.
